CAREER OPPORTUNITY

Job Title: **Anarchist**
Reports To: **Self**
Location: **Anywhere**

ABOUT ANARCHISM

Anarchism is a premier philosophy in humanity that focuses on the destruction of rulers and intersectional solidarity with the oppressed. With a head office in your own mind, Anarchism specializes in autonomous mutual aid with a strong focus on eliminating any oppressive relationship.

Position Overview

The Anarchist would successfully administer direct action without management from an authority based structure. The Anarchist would see to the end of widespread oppression including but not limited to: colonialism, fascism, patriarchy, white supremacy, capitalism, and state socialism.

General Responsibilities

- Meeting with the oppressed to determine needs
- Assisting in the defense of communities under siege
- Updating and maintaining integrity with call ins and call outs
- Reviewing histories and works of other Anarchists
- Preparing and presenting the ideas of true liberation to struggling populations
- Conducting direct action to stop capitalist/fascist existence
- Bashing the fash
- Performing computer activities with an awareness of the capabilities of the surveillance state and ensuring that their comrades understand as well
- Executing self administrative functions that pertain to resilience, emotional and physical health, respect, knowledge, and maintaining the will to fight
- Coordinating support for imprisoned comrades
- Reviewing participation in oppression and seeking to remove it

Qualifications

- Must be a feminist
- Must think that ayn-caps are hilarious, in a bad way
- Must be more than a little pissed
- Must review context of personal existence, and check privileges
- Must be prepared to struggle
- Fluency in Spanish is an asset
- Must be averse to tankies
- Strong desire for continued growth and learning
